İZMİR

Izmir is a cosmopolitan city located in western Turkey, on the Aegean coast. As the third most populous city in the country and a major port, it has a rich history, beautiful beaches, and a thriving economy.

Izmir is a popular destination for health tourism, offering a range of medical treatments and services at affordable prices. The city's hospitals and clinics are equipped with state-of-the-art technology and staffed by experienced professionals, making it a reliable choice for those seeking quality medical care. In addition to its medical facilities, Izmir's Mediterranean climate and beautiful beaches make it an attractive location for rest and relaxation.
